How should I wear a sarong?

Tie skirt

1 For a simple style that is ideal for disguising a larger tummy, wrap the sarong around your waist and tie the two top corners together, leaving the slit over your thigh.

2 You could use a bright brooch to fix it securely.

3 Sarongs from Arnywear (arnywear.co.uk) are treated with an odour-free mosquito repellent.

● **Pink anti-mosquito fabric sarong**, £19.99, Arnywear. **Print bikini**, £30 for top, £15 for bottoms (sizes 8-16), Ted Baker at House of Fraser. **Round pink sunglasses**, £99, D&G at David Clutow. **Canvas stripe shoulder bag**, £15, Accessorize
