Where to buy goodies

-  [Gorgeous Food](#) - delicious delicacies from all over the world, and an 'attitude' that we like.
-  [Lakeland Limited](#) - not the first place that comes to mi but they have some interesting stuff...lemon/lavender marmalade, chocolate flavoured with all different spic
-  [The Garlic Farm](#) - more than you ever wanted to know, some yummy products like Vampire Relish Salsa and Smoked Garlic Honey (yes, really)
-  [Sugar-free Belgian chocolate UK and US](#) - for diabetics . low-carb dieters, this stuff is better than you can belie
-  Organic produce delivered to your doorstep
www.riverford.co.uk
-  If you are like us, as soon as we set foot outside the message whips around to all biting insects: 'mobile foc alert!' But no longer, since we discovered a new compa selling fabric impregnated with natural insect repellent They have sarongs, bandanas etc. which really work! Vi their site www.arnywear.co.uk and if you order please that you read about them on Shameless Hussies.

Have a favourite shop that you'd like to share? [Email us](#) with link and what you like about it.
